Mr. Allen Dulles  
Central Intelligence Agency  
Washington, D. C.

My dear Mr. Dulles:

Our Rotary Club of Cleveland is the third largest in the Rotary world and comprises some 650 of the leading business and professional men of the metropolitan area.

Our Program Committee and our officers are most hopeful that your busy schedule will permit you to visit our Rotary Club and address our members on some Thursday noon within the next several months. Our club meets every Thursday noon in the Grand Ballroom of Hotel Statler-Hilton, at which time we would have between 100 and 500 present. A full half hour from 1:00 to 1:30 is devoted to program time.

We offer you full latitude in the selection of your subject matter. We offer you our rostrum on this particular day for the message you deem most important and effective to bring to us and through us to the Cleveland area. At the moment, we have the following Thursdays available: November 10, December 15 or most any Thursday after January 5, 1961. If you can accept November 10 or December 15, we would greatly appreciate such information as quickly as possible for you can readily understand we need to be confirming these dates shortly. Would you please indicate whether or not any honorarium would be expected. In any event, we should be most happy to generously cover your expenses.

We look forward to hearing from you and certainly hope that you can arrange for such a Cleveland visit.

Sincerely,

Paul Armstrong  
Secretary
